CINEREPlicas COLLECTOR WAND LAUNCH 2

Cinereplicas, in collaboration with Warner Bros. Asia Pacific, is excited to unveil the highly anticipated batch 2 of its Collector Wands. Designed exclusively for Harry Potter fans and collectors in Asia, this new release features the iconic wands of Severus Snape, Sirius Black, Luna Lovegood, and Draco Malfoy.

Building on the success of the initial launch, Cinereplicas continues to bring the magic of the Harry Potter universe to life. The Collector Wand series, crafted with premium polyresin, have been meticulously recreated to capture every intricate detail, texture, and node, resulting in the most screen-accurate wand replicas.

As with the first batch of Collector Wands, the new addition also come with premium packaging and a gold wand stand, to ensure that collectors have a luxurious and immersive experience from the moment they unbox their wand.

In addition to the Collector Wands, Cinereplicas also offers the mass-market Essential Collection Wands made with high-quality PVC. Both collections uphold Cinereplicas' commitment to remaining faithful to the movie archives and delivering exceptional quality.
